

FREELANCE SERVICES AGREEMENT

Da Bali Resort — System Completion, Deployment & Capstone Documentation

This Freelance Services Agreement ("Agreement") is entered into by and between the parties named below, in connection with the completion, deployment, and documentation of the Da Bali Resort web-based booking and reservation management system.

Freelancer / Developer	Andrew Emmanuel Robles
Client	Praise Gae Tanqui-on
Project	Da Bali Resort Booking & Reservation Management System
Agreement Date	August 26, 2026

1. Background

This Agreement is based on the System Alignment Report comparing the current Da Bali Resort system against the capstone specification, "Da Bali Resort Digital Transformation: Web-Based Booking and Reservation Management System."

2. Scope of Work

The Freelancer agrees to deliver the following, based on the current build and the findings of the System Alignment Report:

Feature / Item	Current Status	Scope Under This Contract
Staff Dashboard Routing Fix	Bug — blank dashboard on login	Fix redirect; restore Staff API access
Role-Based Access (Staff)	Needs Improvement	Correct Staff permission scope
Sessions (JWT alignment)	Needs Improvement	Align with spec or document deviation
PDF Invoice Generation	Needs Improvement	Replace browser-print with true PDF export
Report Export (CSV scope)	Needs Improvement	Expand beyond staff attendance
Amenity Inventory Tracking	Not Yet Built	Build stock/quantity tracking
Housekeeping Module (role, room status, schedule)	Not Yet Built	Build Housekeeping role and workflows
FAQ Chatbot	Not Yet Built	Build guest-facing FAQ chatbot

Feature / Item	Current Status	Scope Under This Contract
Occupancy Analytics	Not Yet Built	Build occupancy-rate calculation
Audit Logs	Not Yet Built	Build persistent Admin/Staff action logs

In addition to the items above, the Freelancer will deliver:

- Deployment of the completed system to a live hosting environment.
- Hosting setup and configuration for the initial launch.
- System documentation covering setup, architecture, and usage.
- Capstone paper support: drafting of Chapters 4 and 5 (Results & Discussion, Summary/Conclusion/Recommendations), based on the completed system.

3. Out of Scope

Unless agreed in writing as an additional item, this Agreement does not cover: rewriting the technology stack to match the originally specified Vue/Node.js/MySQL stack (the current React/Express/SQLite stack will be retained and completed); Chapters 1–3 of the capstone paper; ongoing hosting costs or renewals beyond initial setup; and any feature request made after the revision period that is not part of the scope listed in Section 2.

4. Timeline & Revisions

This Agreement takes effect on August 26, 2026. The Freelancer will complete the scope of work and deliver the system, deployment, hosting setup, documentation, and Chapters 4–5 within the month of September 2026, on a date to be confirmed by both parties as the project progresses. Following delivery, the Client is entitled to a revision period of two (2) to three (3) weeks from the date of delivery, during which the Freelancer will address feedback and refinements within the original scope at no additional cost. Revisions requested after this period, or requests that fall outside the original scope, may be subject to a separate agreement and additional fees.

5. Payment Terms

The total project fee is ₱25,000.00 (Philippine Pesos), inclusive of system completion, deployment, hosting setup, system documentation, and capstone paper Chapters 4–5. Payment will be made in three (3) milestones:

Milestone	% of Total	Amount	Trigger
Down Payment	50%	₱12,500.00	Upon signing of this Agreement, before work begins
Mid-Project Payment	30%	₱7,500.00	Upon reaching an agreed mid-project checkpoint

Milestone	% of Total	Amount	Trigger
Final Payment	20%	₱5,000.00	Upon final delivery and Client acceptance

All payments are due within five (5) business days of the corresponding milestone being reached. The Freelancer may pause work on the project if a milestone payment is more than seven (7) days overdue, without this being considered a breach of this Agreement.

6. Intellectual Property

Upon full and final payment of all amounts due under this Agreement, all rights, title, and interest in the custom source code, documentation, and other deliverables created specifically for the Da Bali Resort system under this Agreement shall transfer to the Client. The Freelancer retains the right to reuse general-purpose code, components, and techniques that are not specific to the Client's business logic or branding, and may reference the completed project in a professional portfolio unless the Client requests otherwise in writing.

7. Confidentiality

Both parties agree to keep confidential any non-public business, technical, or financial information shared in connection with this project, and not to disclose such information to third parties without prior written consent, except as required by law.

8. Independent Contractor Status

The Freelancer is engaged as an independent contractor and not as an employee, partner, or agent of the Client. The Freelancer is responsible for their own tools, work schedule, and any applicable taxes on income earned under this Agreement.

9. Warranty & Limitation of Liability

The Freelancer will perform the work in a professional and workmanlike manner consistent with generally accepted industry standards. Except as expressly stated in this Agreement, the system is provided without further warranties. The Freelancer's total liability under this Agreement shall not exceed the total fees paid by the Client under this Agreement.

10. Termination

Either party may terminate this Agreement with fourteen (14) days' written notice. If the Client terminates before completion, the Client shall pay for all milestones reached and work completed up to the date of termination. If the Freelancer terminates without cause, any payments received for work not yet delivered shall be refunded on a pro-rata basis.

11. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Republic of the Philippines.

12. Entire Agreement

This Agreement constitutes the entire understanding between the parties regarding the subject matter herein and supersedes any prior discussions or agreements, whether written or oral. Any changes to this Agreement must be made in writing and signed by both parties.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
